- ii. To make officials of the College responsive, accountable and courteous in dealing with the students.
- iii. To ensure effective solution to the student's grievances with an impartial and fair approach.

The Cell enables a student to express feelings by initiating and pursuing the grievance procedure in accordance with the rules and regulations of the College. 'Student's Grievance Cell' enquires and analyses the nature and pattern of the grievances in a strictly confidential manner. Emphasis on procedural fairness has been given with a view to "the right to be heard and right to be treated without bias".

The function of the cell is to look into the complaints lodged by any student, and judge its merit. The Grievance cell is also empowered to look into matters of harassment. Anyone with a genuine grievance may approach the department members in person, or in consultation with the officer in-charge Students' Grievance Cell. In case the person is unwilling to appear in self, grievances may be dropped in writing at the letterbox/ suggestion box of the Grievance Cell at Administrative Block. Grievances may also be sent through e-mail to the officer in-charge of Students' Grievance Cell.

Objective:

The objective of the Grievance Cell is to develop a responsive and accountable attitude among all the stakeholders in order to maintain a harmonious educational atmosphere in the institute.

A Grievance Cell should be constituted for the redressal of the problems reported by the Students of the College with the following objectives:

- Upholding the dignity of the College by ensuring strife free atmosphere in the College through promoting cordial Student-Student relationship and Student-teacher relationship etc.
- Encouraging the Students to express their grievances / problems freely and frankly, without any fear of being victimized.
- Suggestion / complaint Box is installed in front of the Administrative Block in which the Students, who want to remain anonymous, put in writing their grievances and their suggestions for improving the Academics / Administration in the College.
- Advising Students of the College to respect the right and dignity of one another and show utmost restraint and patience whenever any occasion of rift arises.
- Advising All the Students to refrain from inciting Students against other Students, teachers and College administration
- Advising all staffs to be affectionate to the Students and not behave in a vindictive manner towards any of them for any reason.
- Ragging in any form is strictly prohibited in and outside the institution. Any violation of ragging and disciplinary rules should be urgently brought to the notice of the Principal.

Scope:

The cell will deal with Grievances received in writing from the students about any of the following matters:-

- Academic Matters: Related to timely issue of duplicate Mark-sheets, Transfer Certificates, Conduct Certificates or other examination related matters.
- Financial Matters: Related to dues and payments for various items from library, hostels etc.
- Other Matters: Related to certain misgivings about conditions of sanitation, preparation of food, availability of transport, victimization by teachers etc.

Functions :

1. Redressal of Students' Grievances to solve their academic and administrative problems.

2. To co-ordinate between students and Departments / Sections to redress the grievances.
3. To guide ways and means to the students to redress their problems.

Procedure for lodging complaint:

- The students may feel free to put up a grievance in writing/or in the format available in the Website and drop it in boxes.
- The Grievance Cell will act upon those cases which have been forwarded along with the necessary documents.
- The Grievance Cell will assure that the grievance has been properly solved in a stipulated time limit provided by the cell.

- Internal Quality Assurance Cell

Internal Quality Assurance Cell, an internal quality assurance mechanism practiced in the institution, is conceived as a mechanism to build and ensure a quality culture at the institutional level. Every Higher Education Institute (HEI) should have an internal quality assurance system, with appropriate structure and processes, and with enough flexibility to meet the diverse needs of the stakeholders. The IQAC is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the HEIs.

The IQAC functions as a core quality enhancing system, facilitating a sense of belonging through a participatory approach towards enhancing, sustaining and internalizing quality culture within the institution. The IQAC is constituted with a team of 16 members, headed by the Vice Chancellor.

The activities of the IQAC unit focus on Quality enhancement, the internalization of quality culture, and the setting up of mechanisms and procedures to ensure the prompt and efficient performance of academic, administrative and financial tasks. Training programs are organized periodically for the faculty, the administrative and supportive staff and the students. The IQAC also endeavors to optimize the integration of modern methods of teaching, learning and evaluation and ensures the adequacy, maintenance and functioning of the support structure. The IQAC organizes workshops / seminars on quality related themes and also prepares the Annual Quality Assurance Report (AQAR) of the institute.

This could entail further extension of accreditation or a visit, as deemed appropriate by NBA Committees.

5. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted to **Vels Institute of Science, Technology and Advanced Studies(VISTAS), Velan Nagar, P.V.Vaithiyalingam Road, Pallavaram, Chennai- 600 117, Tamil Nadu** as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the program as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Report in respect of the above program is enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.
