Official Letter for the IAENG Membership

Member Name: Dr. Jayalakshmi Sambandan

Member Number: 224855

IAENG is a non-profit international association for the engineers and the computer scientists. IAENG has been found by a group of engineers and computer scientists from over thirty different countries. Our goals are to promote the co-operation between the professionals in various fields of the engineering and to cultivate an environment for the advance and development of the technology. Our objectives include:

- Promoting the interactions between the engineers;
- Advancing the application of engineering techniques from the academics to the industry;
- Facilitating the exchange of information and ideas among the engineers and scientists freely.

This letter is to certify that the above person is an IAENG member. For the information about IAENG Membership, please visit our website <http://www.iaeng.org/membership.html>

If you have any question, you are very welcome to contact us at any time.

Dear Prof. V. Rajendran:

On behalf of the Editorial Board of Journal of Marine Science and Technology (JMST), which currently has the Science Citation impact factor of 0.379 at 2014.

I am writing to ask if you would be willing to review the following paper:

Ref. No.: JMST-2016-041

Title:Coherence Analysis of Ambient noises in shallow water for underwater communication

which can be found in the attachment of this e-mail, together with the manuscript evaluation form. It is the intent of the JMST Publications Committee to present and publish technical papers of high quality. To achieve this end, thorough and critical reviews are being requested from you and others who are competent and knowledgeable. Since JMST requires a fast turnaround, it is particularly important that I receive the manuscript evaluation form from you via e-mail before **Jun. 22, 2016**, so that we can send a publication decision to the author by the date promised. Your opinions will be held in confidence, and your efforts will contribute greatly toward maintaining the high quality required of JMST.

Please return the manuscript evaluation form to the following E-mail address: jmst@mail.ntou.edu.tw

If you are unable to review this paper or if the subject is outside your field, please let me know as soon as possible. At the same time, I would appreciate your recommending an alternative reviewer.

Your kind help in reviewing the manuscript will be highly appreciated.

Sincerely yours,

Respected V Rajendran,

After proper evaluation of your profile, your name is registered in reviewer team members and also updated on our online database. For every subject area, there is a unique code subject code (For complete visit Visit: <http://www.astesj.com/wp-content/uploads/2016/05/Journal-Scope.txt>). If you have registered yourself in multiple areas, then you have a specific reviewer code for each area e.g., your code look like "RVABC1234".

Benefits of reviewer code are listed below:

1. Using reviewer code, you are able to get additional 20% discount for your 1st paper and 10% discount from 2nd paper (and so on) on publication fee submitted to ASTESJ. Note that these discounts is only applicable on regular paper submission not special issue papers.
2. After reviewing more than 10 papers for ASTESJ, you are able to apply for regional editorship.
3. During manuscript submission to ASTESJ, you should mention the reviewer code in cover letter section. Once our online system confirmed your code with your registered email address, your paper will be put on express tracking which speed up the review process for your manuscript.

You can search your code on the link given below.

<http://www.astesj.com/reviewer-directory/>

For privacy, the reviewer directory page is password protected. The computer generated random password for your registered email is given below

Password: t@Q16eb\$_aeg*12Xy

Keep remember that the above reviewer code will not work until you added your name in our mailing list. Click the link below and write down your name and email.
