400 NSS Volunteers were involved in this programme and they were taught to create awareness on the prevention of AIDS. Along with the IAPA members of about 25 foreign volunteers, our NSS Volunteers actively participated in the classroom awareness programme where they addressed the key issues involved in HIV/AIDS and the organizations involved to protect and prevent AIDS Patients.

Students were exposed to facts such as HIV spreads only in certain body fluids from a person who has HIV. The person-to-person spread of HIV is called HIV transmission. Some of the body fluids that spread HIV include blood, semen, pre-seminal fluids, rectal fluids, vaginal fluids, and breast milk.

1000 Students were benefitted out of this awareness programme since the volunteers went class-to-class and shared the methods involved in the prevention of HIV using Charts and Discussions. Students interacted and clarified their doubts to the IAPA Volunteers. The entire programme was monitored by the NSS Programme officers along with the NSS volunteers who took part in the event.

TRAFFIC AWARENESS PROGRAMME

Date :	07/08/2019
Place:	Shivalaya Auditorium, VISTAS Campus
Chief Guest:	Mr. Mailvagahan IPS, Deputy Commissioner
Topics :	Traffic Signals – Importance of Traffic Rules
Volunteers No.:	400 NSS Volunteers
Benefited No.	200 students

Details

Road traffic safety refers to the methods and measures used to prevent road users from being killed or seriously injured. Road safety is a multispectral and multi-dimensional subject. It includes orderly development and management of roads, provision of safer vehicles, and a comprehensive response to accidents. It relies on modern traffic management systems and practices, improved safety standards in design, construction, operation and maintenance of roads, and production and maintenance of safer vehicles.

In order to identify the policies and interventions that are necessary for promoting road safety, National Service Scheme (NSS) unit of the Vels Institute of Science, Technology & Advanced Studies (VISTAS) conducted a **traffic awareness programme** on 07/08/2019 in Shivalaya

Auditorium. The NSS Unit of VISTAS in association with St. Thomas Mount Traffic Police conducted the **traffic awareness programme**. Mr. Mailvagahan IPS, Deputy Commissioner was the chief guest of the programme. The welcome address was given by NSS Programme Coordinator Dr. P. Jagadeesan. Pro Vice-Chancellor Dr. S. Sriman Narayanan presented the presidential address.

Students were advised not to involve in disobeying activities such as violating traffic rules, not wearing helmets while driving, not to rash drive and not to go in triples. Police Department also warned students about the penalty for Driving Without License and made them aware of the fact that according to Motor Vehicles Act, 1988 section 181, One will be charged up to Rs. 5000 for driving without license. Oratorical competitions and Drawing competitions were conducted based on the traffic awareness. Prizes were distributed for the students who outperformed.

Today, student road safety is given more priority than earlier. Students are the future of a country and hence as a citizen, it is their responsibility to protect them by following the rules and regulations.

Some of the major causes of road accidents that were highlighted in the awareness programme are as follows.

- (i) Lack of highway safety
- (ii) Drunken driving
- (iii) Driving in an exhausted state for long hours
- (iv) Using cell phone while driving

(vii) Turning without giving signal

(viii) Overtaking from wrong side

ENTREPRENEURSHIP AWARENESS PROGRAMME ON 25/10/2019

EDP Program 11th – 13th ,Feb 2019

School of Management Studies, Vellore Institute of Science, Technology & Advanced Studies (VISTAS) in association with National Small Industries Corporation (NSIC), Technical Services Centre, Chennai conducted three days **Entrepreneurship Awareness Camp** from 11th – 13th, Feb 2019 for the Students pursuing business administration. More than 100 students gained from this awareness camp which was sponsored by Department of Science & Technology, Govt. of India and Entrepreneurship Development Institute of India, Gujarat.

The event was inaugurated on 11th Feb 2019, at 10:00 a.m. with a beautiful invocation and Dean, School of Management Studies & Commerce, Dr. P. R. Ramakrishnan welcomed the gathering. Presidential address was delivered by Honorable Vice Chancellor of VISTAS, Dr. P. Swaminathan. The inaugural address and Session 1 was delivered by Mr. R. Balasubramanian, Deputy General Manager, NSIC-TSC, Chennai who enlightened the students on the theme “How to become successful entrepreneurs” and on financial and technical support provided by NSIC to the young entrepreneurs. He made the session very interactive by enacting various situations which made the students think out-of-the-box.

Session 1 and session 2 was chaired by Dr. E. Baskar, Deputy Director, Dept. of Industries and Commerce, Govt. of Tamil Nadu. After Lunch, second session was handled under the theme “Opportunities for start-ups”. He led the students through ten essential steps required to become a successful entrepreneur. He provided useful information regarding skill training available for budding entrepreneurs and procurement opportunities through Government e-market. Session three was delivered under the topic “Govt. Schemes and Programs for Entrepreneur” in which he gave lot of inputs about various schemes offered to Indian entrepreneurs and Business owners like UYEGP scheme, CGTMSE scheme, NEEDS scheme etc.

Second day of the camp started on a positive note under the topic “Innovation and Creativity” by Dr. J. S. Prabha, Faculty, NSIC-TSC. He spoke about how creative thinkers generate innovative ideas which helps them to create a sustainable market. Post lunch speaker Mr. Anandraj, Faculty, NSIC-TSC, spoke about the “Charms and Challenges of Entrepreneurs”. He discussed about various opportunities available for the students to start SSI in India. He also highlighted the importance of attracting right talent and right partners in setting up of new company. Second day of the camp ended with an interactive session between the students and the speaker.

On the third day of the camp, students visited LBI – Livelihood Business Incubation, NSIC – TSC, situated in Chennai. During the visit, students were briefed about the several functions of NSIC and were introduced to various machines used by Micro, Small and Medium enterprises (MSME). Mrs. Nalini, General Manager, NSIC, TSC, Chennai addressed the students about numerous training schemes available for students, self-employed and budding entrepreneurs to enhance their skill. She encouraged the students to provide feedback about the camp and many students were eager to share their learning and experience. Finally, she gave a brief course review after which she delivered valedictory address.

Entrepreneurship Awareness Camp from 11/02/2019 to 13/02/2019

School of Management Studies, Vels Institute of Science, Technology & Advanced Studies (VISITAS) in association with National Small Industries Corporation (NSIC), Technical Services Centre, Chennai conducted three days Entrepreneurship Awareness Camp from **11th – 13th , Feb 2019** for the Students pursuing business administration. More than 100 students gained from this awareness camp which was sponsored by Department of Science & Technology, Govt. of India and Entrepreneurship Development Institute of India, Gujarat.

The event was inaugurated on 11th Feb 2019, at 10:00 a.m. with a beautiful invocation and Dean, School of Management Studies & Commerce, Dr. P. R. Ramakrishnan welcomed the gathering. Presidential address was delivered by Honorable Vice Chancellor of VISITAS, Dr. P. Swaminathan. The inaugural address and Session 1 was delivered by Mr. R. Balasubramanian, Deputy General Manager, NSIC-TSC, Chennai who enlightened the students on the theme “ How to become successful entrepreneurs “ and on financial and technical support provided by NSIC to the young entrepreneurs. He made the session very interactive by enacting various situations which made the students think out-of-the-box.

Session 1 and session 2 was chaired by Dr. E. Baskar, Deputy Director, Dept. of Industries and Commerce, Govt. of Tamil Nadu. After Lunch, second session was handled under the theme “Opportunities for start-ups”. He led the students through ten essential steps required to become a successful entrepreneur. He provided useful information regarding skill training available for budding entrepreneurs and procurement opportunities through Government e-market. Session three was delivered under the topic “Govt. Schemes and Programs for Entrepreneur” in which he gave lot of inputs about various schemes offered to Indian entrepreneurs and Business owners like UYEGP scheme, CGTMSE scheme, NEEDS scheme etc.

Second day of the camp started on a positive note under the topic “Innovation and Creativity” by Dr. J. S. Prabhu, Faculty, NSIC-TSC. He spoke about how creative thinkers generate innovative ideas which helps them to create a sustainable market. Post lunch speaker Mr. Amalraj, Faculty, NSIC-TSC, spoke about the “Charms and Challenges of Entrepreneurs”. He discussed about various opportunities available for the students to start SSI in India. He also highlighted the importance of attracting right talent and right partners in setting up of new company. Second day of the camp ended with an interactive session between the students and the speaker.

On the third day of the camp, students visited LBI – Livelihood Business Incubation, NSIC – TSC, situated in Chennai. During the visit, students were briefed about the several functions of NSIC and were introduced to various machines used by Micro, Small and Medium enterprises (MSME). Mrs. Nalini, General Manager, NSIC, TSC, Chennai addressed the students about numerous training schemes available for students, self-employed and budding entrepreneurs to enhance their skill. She encouraged the students to provide feedback about the camp and many students were eager to share their learning and experience. Finally, she gave a brief course review after which she delivered valedictory address.

An Awareness Programme on the Prevention of HIV/AIDS was organized by NSS (National Service Scheme) Unit of VISTAS, Chennai in collaboration with IAPA (International Alliance for the Prevention of AIDS) on 05/07/2019 in the University Premises. IAPA branches in the US and in India are mission focused in preventing the global spread of HIV through education and volunteerism. The aim of this programme was to give classroom awareness to the students on Prevention of HIV/AIDS.

The Program was inaugurated by the Registrar of the University Dr. A. R. Veeramani. Followed by the inauguration, Dr. P. Jagadeesan, Assistant Professor & NSS coordinator gave the welcome address. IAPA members delivered a special lecture on the prevention of

HIV/AIDS to the student-volunteers.

400 NSS Volunteers were involved in this programme and they were taught to create awareness on the prevention of AIDS. Along with the IAPA members of about 25 foreign volunteers, our NSS Volunteers actively participated in the classroom awareness programme where they addressed the key issues involved in HIV/AIDS and the organizations involved to protect and prevent AIDS Patients.

Students were exposed to facts such as HIV spreads only in certain body fluids from a person who has HIV. The person-to-person spread of HIV is called HIV transmission. Some of the body fluids that spread HIV include blood, semen, pre-seminal fluids, rectal fluids, vaginal fluids, and breast milk.

1000 Students were benefitted out of this awareness programme since the volunteers went class-to-class and shared the methods involved in the prevention of HIV using Charts and Discussions. Students interacted and clarified their doubts to the IAPA Volunteers. The entire programme was monitored by the NSS Programme officers along with the NSS volunteers who took part in the event.

❖ WHAT IS CLIMATE CHANGE?

Climate change is a change in the usual weather found in a place. This could be a change in how much rain a place usually gets in a year. Or it could be a change in a place's usual temperature for a month or season.

Climate change is also a change in Earth's climate. This could be a change in Earth's usual temperature. Or it could be a change in where rain and snow usually fall on Earth.

❖ KEY IMPACTS OF CLIMATE CHANGE

1. Global Warming
2. Extreme Climate Events (Droughts, Floods and Storms)
3. Undernourishment
4. Food stability, utilization and access

❖ IMPACT ON CLIMATE CHANGE ON HUMAN HEALTH

Humans are sensitive to extraordinary environmental and climate change which can lead to deterioration of health and well - being (Stress, Trauma, Diseases, mental disorder, decrease of working capacity, social disorder)

❖ INDIRECT IMPACT OF CLIMATE CHANGE ON HUMANS ARE AS FOLLOWS:

1. Decrease of crop quality and food availability
2. Lack of drinking water
3. Invasion of vector borne diseases (Malaria, Dengue etc.)

❖ CLIMATE CHANGE EFFECTS ON HUMAN HEALTH CAN BE DIVIDED INTO INTO PRIMARY, SECONDARY AND TERTIARY

1. Primary – Heat waves, cold waves, injuries, floods, fires
2. Secondary – Infectious diseases especially vector borne, allergies, air pollution
3. Tertiary - Famine, conflicts, population displacement, refugees

❖ CLIMATE CHANGE PROVOKED THE SOCIO-ECONOMIC RESPONSES OF COMMUNITY

1. Migration of population due to drought or flooding
2. Homelessness

Credit: <http://www.fao.org/docrep/015/i2498e/i2498e.pdf>

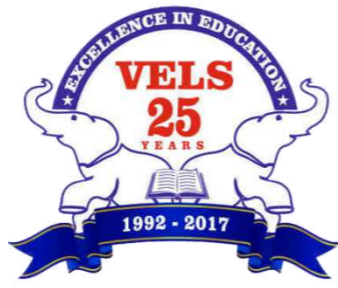

❖ IMPACT OF CLIMATE CHANGE ON SPECIES

1. The world already faces a biodiversity extinction crisis, and it is likely to be made worse by climate change.
2. The world is undergoing an extinction crisis – the most rapid loss of biodiversity in the planet's history – and this loss is likely to accelerate as the climate changes.

❖ NATURE'S ROLE IN FIGHTING CLIMATE CHANGE

1. Conserving the planet's natural systems is an essential response to the climate crisis.
2. Halting the destruction of tropical forests is a cost-effective and necessary way to reduce greenhouse gas emissions now.
3. Mitigating climate change will also require reducing CO2 emissions by increasing energy efficiency and developing carbon-free energy sources

HOW CLIMATE CHANGE IMPACTS WEATHER

THE SCIENCE

CHANGES IN THE WATER CYCLE ARE INCREASING THE RISK OF DROUGHTS AND FLOODS.

- Higher temperatures mean there is more evaporation from the land and sea into the atmosphere.
- As air gets warmer, it can hold more water vapor. This can lead to more intense rainstorms.
- Intense rainstorms increase the risk of flooding. Much of the water runs off into rivers and streams, doing little to dampen soil.
- This, combined with increased temperatures, increases the risk of drought.

Climate Change

Causes, Impacts, and Prevention

"a change in the state of the climate that can be identified (e.g. using statistical tests) by changes in the mean and/or the variability of its properties, and that persists for an extended period, typically decades or longer. It refers to any change in climate over time, whether due to natural variability or as a result of human activity"—IPCC

Major GHG Gases & Their Contribution to Greenhouse Effect

H2O (g)	CO2	CH4	O3
36-72%	9-26%	4-9%	3-7%

Greenhouse effect prevents heat radiation from earth which causes rising in land and ocean temperature

Atmospheric CO2 concentration has been increased from 280 ppm in 1750 to 400 ppm in 2015

Sources of GHG Gases

- Transportation
- Electricity generation
- Deforestation
- Household
- Industrialization
- Urbanization
- Agriculture
- Fossil fuel combustion
- Livestock
- Animal respiration

Impacts of Climate Change

- Temperature will rise from 2.5-10 degrees Fahrenheit over the next century
- Sea level will rise 1-4 feet by 2100
- Droughts and desertification will be intensive
- Amount and pattern of precipitation will change
- Many plant and animal species will become extinct
- Rice and wheat production will reduce by 10% and 30% respectively by 2050
- Various health problems and diseases will increase
- About 250 million people will become climate refugees by 2050

How Can We Prevent Climate Change?

- Use green energy
- Increase plantation
- Recycle and reuse
- Use green and energy efficient transport
- Educate future generation
- Stop deforestation
- Make awareness
- Purchase green products
- Make donation
- Make your home environment friendly

VELS EDUCATIONAL TRUST
VELS EDUCATIONAL TRUST was established in 1992 with the aim of transforming an individual into a complete man with character and ability committed to national service and development. The trust was founded by Dr. Ishari K Ganesh, M.Com, MBA, B.E, Ph.D, a visionary and an eminent educationist, in fond memory of his father Shri Ishari Velan, a former minister in the popular Govt. of Dr. MGR. Vael's Educational Trust has always served to take education to the thresholds of first generation learners and weaker sections of the society. Deemed to be University status was conferred to Vels Group of Institutions, by the Ministry of Human Resource Development, Govt. of India. As a logical consequence of this, the founder Chairman Dr Ishari K Ganesh has become the President/Chancellor and now he leads the implementation of strategic plan that aims to shape the institute's future growth. He visualizes an University which will be globally more competitive and internationally recognized institution.

School of Pharmaceutical Sciences (SPS)

The School of Pharmaceutical Sciences which was originally started as Vels college of Pharmacy in 1992 has evolved as a school in 2008 with emphasis on teaching and research in Pharmaceutical Sciences. The School offers B.Pharm, M.Pharm, Pharm.D, B.Pharm (Practice) and PhD degrees which are duly approved by the AICTE and PCI, New Delhi. The School has excellent State of art laboratories for research

SHG Program on 6th& 7th September 2018.

School of Management Studies, VISTAS stepped forward to fulfill its societal responsibilities and engaged with the SHG Community to assist them in their endeavor on 6th& 7th September 2018 - A two day event. On 06thSeptember 2018 the program started with a Welcome address by Dr.P.R.Ramakrishnan, Dean School of Management Studies, followed by Presidential address by Dr.P.Swaminathan, Vice-Chancellor (i/c), VISTAS. This session continued with a talk for SHGs & MBA Students on “Digital Marketing Opportunities for SHG Members” by Mr.KrishnanJayaraj-Chief Coach, the speaker spoke on the need for more and more people to open their business rather than to join MNCs. The students were informed on the importance of Digital marketing in today’s market. The session followed by Mr.Francis Felix Joseph-Regional Retail Counselor Community Outreach Disha Trust (ICICI Bank Group) on the topic “Financial Opportunities for SHG”, the representative shared valuable information on the schemes available to SHG members including the MUDRA scheme. Towards the end an extremely thought provoking and emotive skit on Women Empowerment was enacted by the MBA students.

On 7thSeptember 2018 an exhibition was organized for the SHGs. Dr.P.Swaminathan, Vice-Chancellor (i/c), VISTAS inaugurated the fest and students and nearby people were invited to visit the bazaar. Up to 70 Stalls of artifacts, trinkets, traditional clothing’s and home-made spices, jute bags, cosmetics and fancy items were laid by the SHGs. The students from School of Management studies participated actively and assisted the SHG members in their stalls to sell their goods.

EDP Program 11th – 13th ,Feb 2019

School of Management Studies, Vels Institute of Science, Technology & Advanced Studies (VISITAS) in association with National Small Industries Corporation (NSIC), Technical Services Centre, Chennai conducted three days Entrepreneurship Awareness Camp from **11th – 13th , Feb 2019** for the Students pursuing business administration. More than 100 students gained from this awareness camp which was sponsored by Department of Science & Technology, Govt. of India and Entrepreneurship Development Institute of India, Gujarat.

The event was inaugurated on 11th Feb 2019, at 10:00 a.m. with a beautiful invocation and Dean, School of Management Studies & Commerce, Dr. P. R. Ramakrishnan welcomed the gathering. Presidential address was delivered by Honorable Vice Chancellor of VISITAS, Dr. P. Swaminathan. The inaugural address and Session 1 was delivered by Mr. R. Balasubramanian, Deputy General Manager, NSIC-TSC, Chennai who enlightened the students on the theme “ How to become successful entrepreneurs “ and on financial and technical support provided by NSIC to the young entrepreneurs. He made the session very interactive by enacting various situations which made the students think out-of-the-box.

Session 1 and session 2 was chaired by Dr. E. Baskar, Deputy Director, Dept. of Industries and Commerce, Govt. of Tamil Nadu. After Lunch, second session was handled under the theme “Opportunities for start-ups”. He led the students through ten essential steps required to become a successful entrepreneur. He provided useful information regarding skill training available for budding entrepreneurs and procurement opportunities through Government e-market. Session three was delivered under the topic “Govt. Schemes and Programs for Entrepreneur” in which he gave lot of inputs about various schemes offered to Indian entrepreneurs and Business owners like UYEGP scheme, CGTMSE scheme, NEEDS scheme etc.

Second day of the camp started on a positive note under the topic “Innovation and Creativity” by Dr. J. S. Prabhu, Faculty, NSIC-TSC. He spoke about how creative thinkers generate innovative ideas which helps them to create a sustainable market. Post lunch speaker Mr. Amalraj, Faculty, NSIC-TSC, spoke about the “Charms and Challenges of Entrepreneurs”. He discussed about various opportunities available for the students to start SSI in India. He also highlighted the importance of attracting right talent and right partners in setting up of new company. Second day of the camp ended with an interactive session between the students and the speaker.

On the third day of the camp, students visited LBI – Livelihood Business Incubation, NSIC – TSC, situated in Chennai. During the visit, students were briefed about the several functions of NSIC and were introduced to various machines used by Micro, Small and Medium enterprises (MSME). Mrs. Nalini, General Manager, NSIC, TSC, Chennai addressed the students about numerous training schemes available for students, self-employed and budding entrepreneurs to enhance their skill. She encouraged the students to provide feedback about the camp and many students were eager to share their learning and experience. Finally, she gave a brief course review after which she delivered valedictory address.

TRAFFIC AWARENESS PROGRAMME	
Date :	07/08/2019
Place:	Shivalaya Auditorium, VISTAS Campus
Chief Guest:	Mr. Mailvagahan IPS, Deputy Commissioner
Topics :	Traffic Signals – Importance of Traffic Rules
Volunteers No.:	400 NSS Volunteers
Benefited No.	200 students
Details	
<p>Road traffic safety refers to the methods and measures used to prevent road users from being killed or seriously injured. Road safety is a multispectral and multi-dimensional subject. It includes orderly development and management of roads, provision of safer vehicles, and a comprehensive response to accidents. It relies on modern traffic management systems and practices, improved safety standards in design, construction, operation and maintenance of roads, and production and maintenance of safer vehicles.</p> <p>In order to identify the policies and interventions that are necessary for promoting road safety, National Service Scheme (NSS) unit of the Vels Institute of Science, Technology & Advanced Studies (VISTAS) conducted a traffic awareness programme on 07/08/2019 in Shivalaya</p>	

Auditorium. The NSS Unit of VISTAS in association with St. Thomas Mount Traffic Police conducted the traffic awareness programme. Mr. Mailvagahan IPS, Deputy Commissioner was the chief guest of the programme. The welcome address was given by NSS Programme Co-ordinator Dr. P. Jagadeesan. Pro Vice-Chancellor Dr. S. Sriman Narayanan presented the presidential address.

Students were advised not to involve in disobeying activities such as violating traffic rules, not wearing helmets while driving, not to rash drive and not to go in triples. Police Department also warned students about the penalty for Driving Without License and made them aware of the fact that according to Motor Vehicles Act, 1988 section 181, One will be charged up to Rs. 5000 for driving without license. Oratorical competitions and Drawing competitions were conducted based on the traffic awareness. Prizes were distributed for the students who outperformed.

Today, student road safety is given more priority than earlier. Students are the future of a country and hence as a citizen, it is their responsibility to protect them by following the rules and regulations.

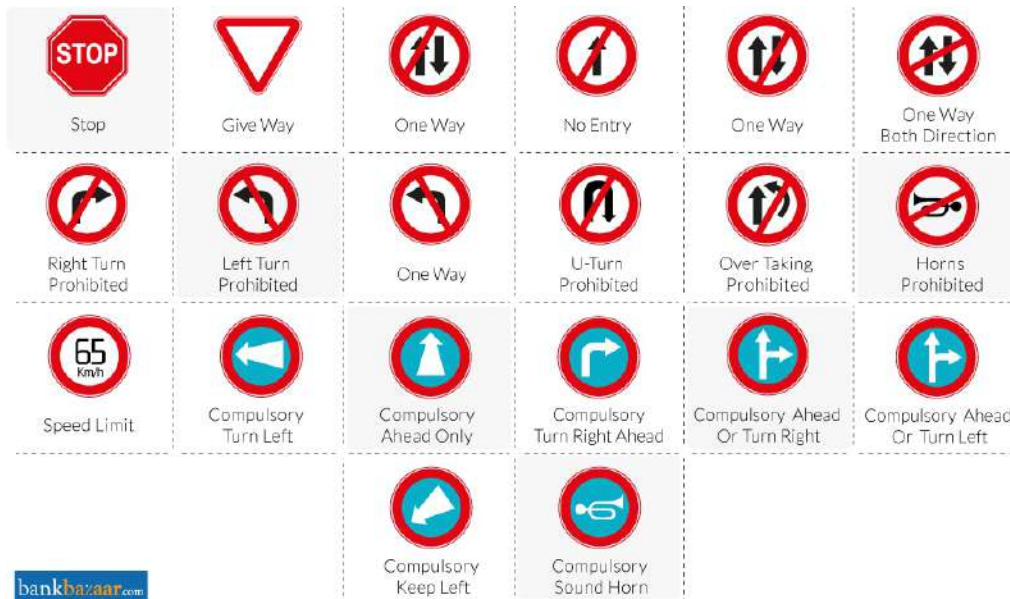

Some of the major causes of road accidents that were highlighted in the awareness programme are as follows.

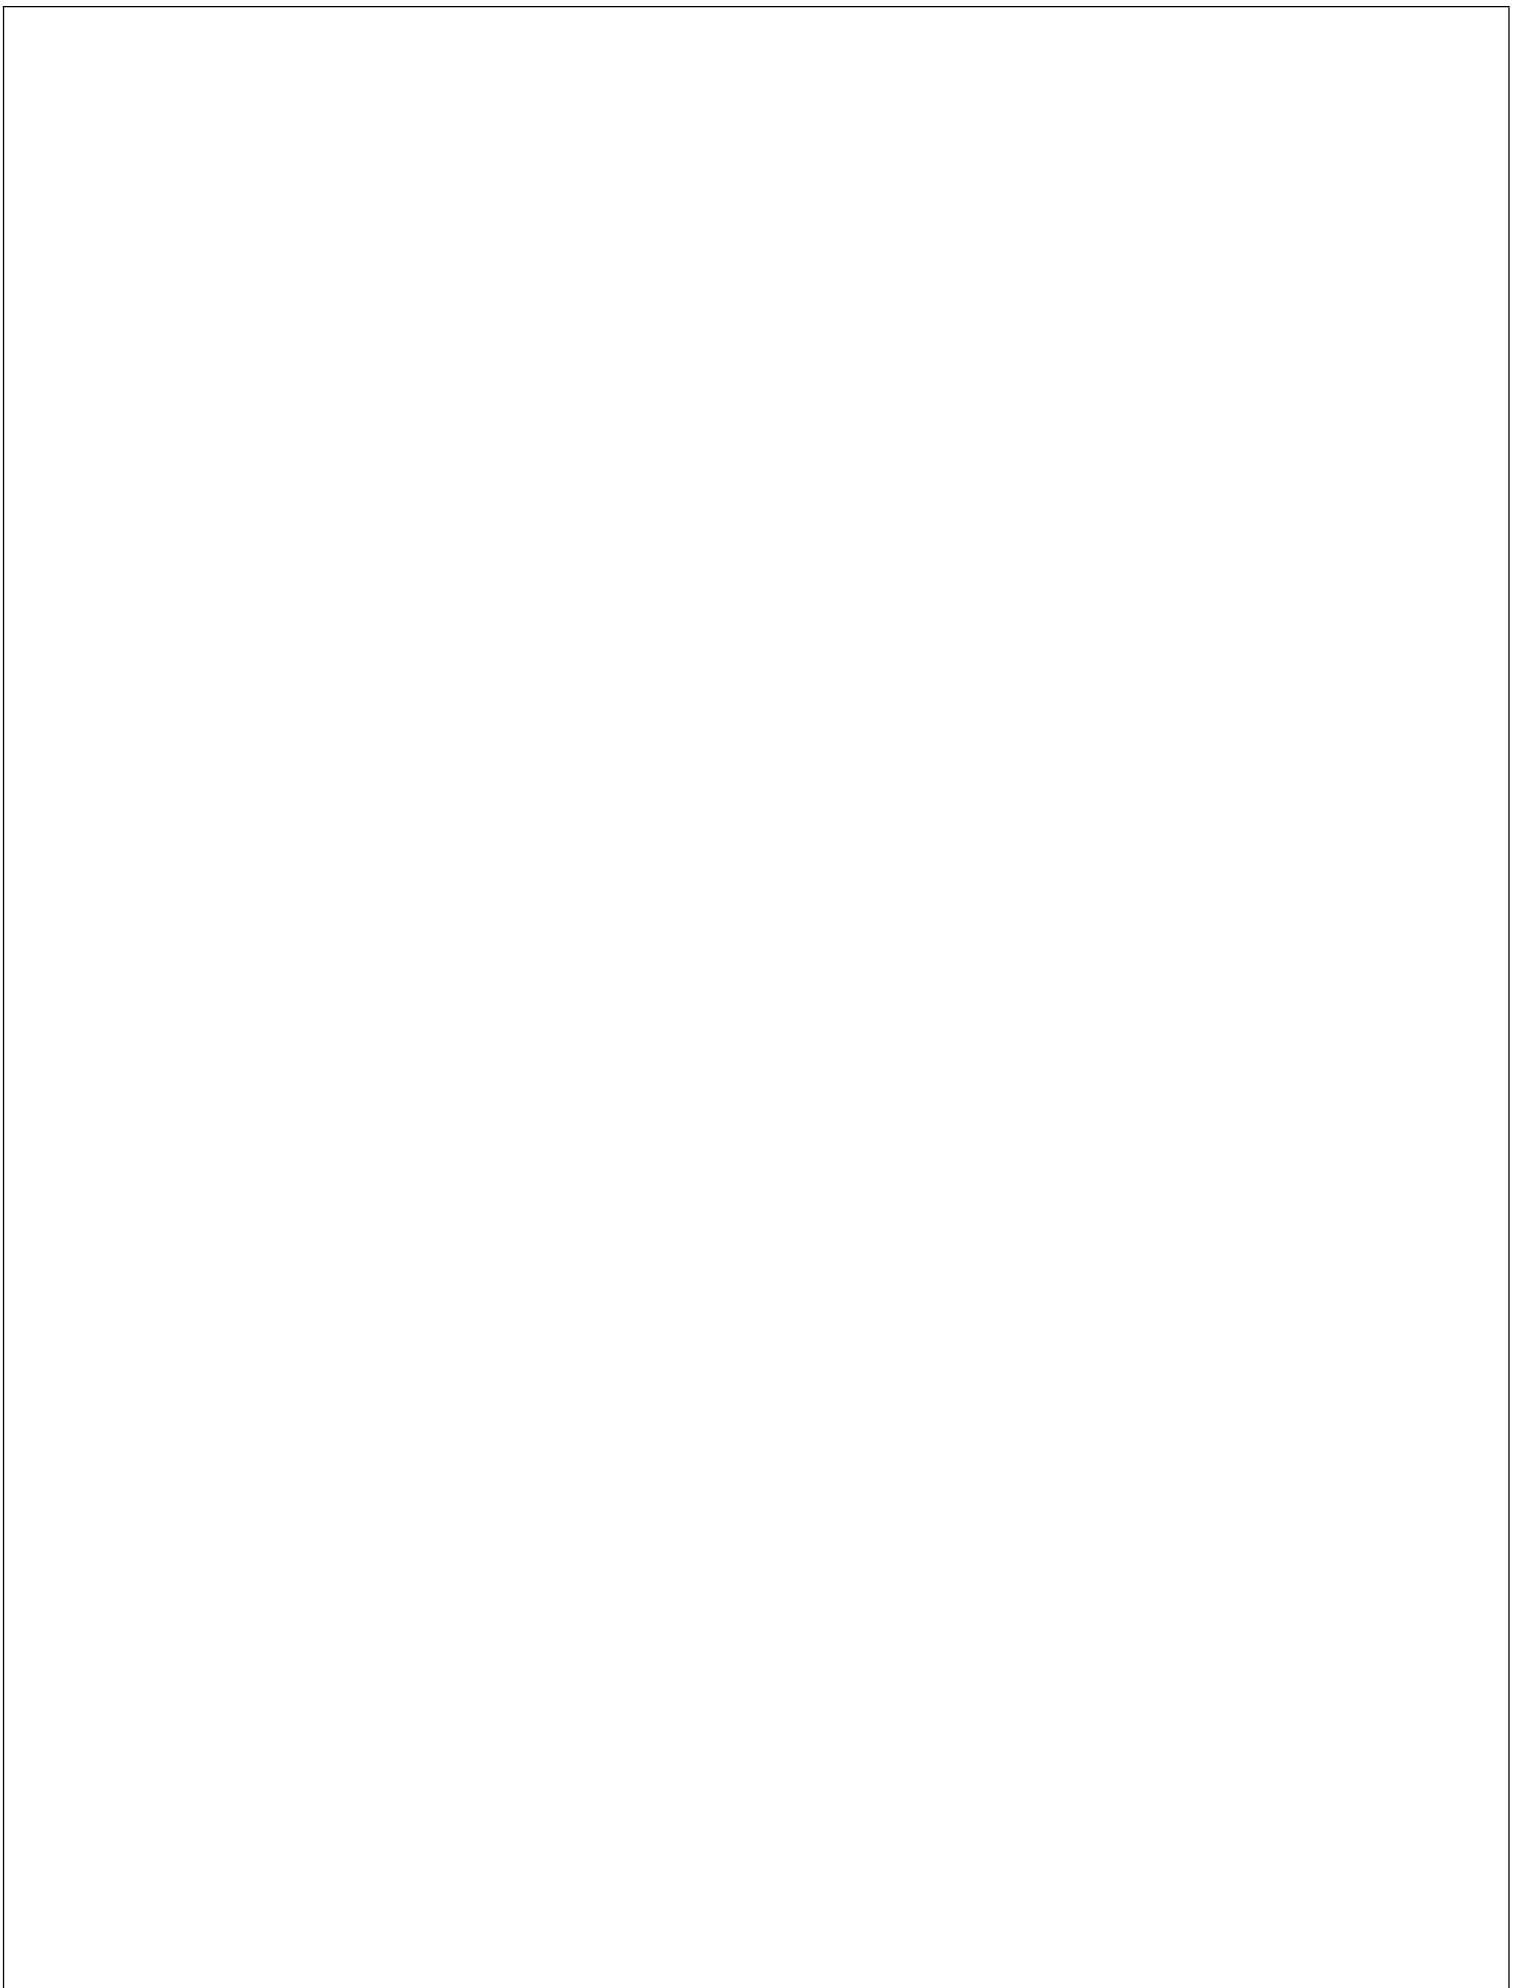

- (i) Lack of highway safety
- (ii) Drunken driving
- (iii) Driving in an exhausted state for long hours
- (iv) Using cell phone while driving
- (v) Overspeeding or rash driving
- (vi) Driving in wrong lanes

(vii) Turning without giving signal

(viii) Overtaking from wrong side

Speakers :	Navy General
Topics :	Defence expo 2018
Details:	

Our NSS units of VISTAS have helped to public for Defence expo 2018 at Island Exhibition Ground and Chennai port. We have made all the arrangements for defence expo. Nearly 120 NSS volunteers and NSS program officers have worked to maintain discipline, arrange the drinking water facility and decorum during the festival. Finally we have received the appreciation certificates from the ministry of defence.

The team coordinated with the navy person for the smooth running of expo, which includes – maintain the public in a line to enter in the pandal. The students helped the public in serving water and also by taking the person for the medical help who are required. The team also taken the public in the bus to the ship where inside the port. They also manage the crowd to watch each ship without any difficulties.

There also the water was supplied to the public by the team. The total coordination made the navy people in smooth running of expo for three days. At the end of expo the navy general appreciated the team by issuing certificate. The public got a clear knowledge about the navy defence system of our country.

Circular No. : 422/2017
Dated : 31st October, 2017

SUB.: Prevention of use of Tobacco products- Follow up by Members of the Bharat Scouts & Guides.

REF.: Notification by Govt. of India under the Cigarettes and other Tobacco Products (Prohibition of Advertisement and Regulation of Trade and Commerce, Production, Supply and Distribution) Act, 2003.

Dear Sir/Madam,

The Govt. of India has enacted Rules to take preventive health care, the Rules ban the use of Smokeless Tobacco Products among them.

The children below 18 years of age who constitute majority of our population are adversely affected by the use of Tobacco Products. The studies says that the children fall into trap of Tobacco Products due to "Peer Pressure." This is an opportunity for Scout/Guide Movement to create awareness among the children below the age of 18 years to keep themselves away from Tobacco.

The Advisory issued by the Govt. of India is as under:-

"It may be noted that the Government of India has already banned certain kinds of smokeless tobacco products like Gutkha, Chewing tobacco through the notification issued under the Food Safety and Standards Act, 2006. The Cigarettes and other Tobacco Products (Prohibition of Advertisement and Regulation of Trade and Commerce, Production, Supply and Distribution) Act, 2003 (COTPA 2003) has been notified/implemented to discourage the use of tobacco products. Section (4) of the Cigarettes and other Tobacco Products (Prohibition of Advertisement and Regulation of Trade and Commerce, Production, Supply and Distribution) Act, 2003 (COTPA 2003) prohibits smoking in public places. Section-(6) of COTPA, 2003 mandates that no person shall sell, offer for sale, or permit sale of, cigarette or any other tobacco product to any person who is under 18 years of age and in an area within a radius of one hundred yards of any educational institution. However, under the extant Rules there is no provision for complete ban on all tobacco products.

The Government has extended the Crop Diversification Programme to tobacco growing 10 States i. e. Andhra Pradesh, Bihar, Gujarat, Karnataka, Maharashtra, Odisha, Tamilnadu, Telangana, Uttar Pradesh and West Bengal to encourage tobacco growing farmers to shift to alternate crops/cropping system w.e.f.2015-16. The onus of enforcement of the provisions of the Cigarettes and other Tobacco Products (Prohibition of Advertisement and Regulation of Trade and Commerce, Production, Supply and Distribution) Act (COTPA 2003) and Rules made there under primarily lies with respective State/UT."

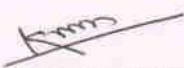

000

Hence, it is advised to all persons involved in our Scouts and Guides mission, to discourage the cultivation of tobacco and use of its products, reporting violations as a part of Community Policing.

All are requested to make efforts to help the youths from becoming the victims of Tobacco use.

Thanking you,

Yours Sincerely,

(KRISHNASWAMY R.)
